Observation :

Beautiful 288 Vista from American builder Four Winns, « Fan Fan »
is a perfect example of a family Cabin cruiser.

Delivered in 2006 and fitted with Twin VOLVO engines (4,3 L),
she turns out to be really pleasant to ride thanks to its modern navionics equipment .
She offers comfortable sleeping accommodation for 4 peoples, together with a well
equipped cosy cockpit.

Always maintained and sought-after with the corresponding invoices, she is now lying
in Mandelieu la Napoule and she is in great condition.
